KIND STORIES. BRIGHTER TOMORROWS.

The Castle Garden

Behind the castle was a garden so large
that even the Princess had never seen
the end of it.

The Golden Door

One morning, beneath a curtain of ivy,
she found a door she had never seen
before.

Follow the Butterfly

The butterfly fluttered away,
and the Princess followed.

The Sleeping Fountain

At the end of the path stood
a fountain that had forgotten
how to flow.

The Frog's Secret

"The Garden Star is missing," said the frog.
"And without it, all this colour
will disappear."

Across the Crystal Bridge

"The butterfly led the way,
across the bridge of light,
where dreams and courage
meet."

The Whispering Woods

"The trees spoke softly,
not with words,
but with the rustle of leaves
and the songs of the wind."

The Hidden Cave

"Behind the waterfall
they found a cave,
where a glowing stone
revealed the next clue."

The Mountain View

"Higher they climbed,
and the world grew wider.
The Princess saw that even
difficult paths lead to
beautiful places."

The Night of a Thousand Stars

"They rested beneath the stars,
and the Princess made a wish
not just for herself,
but for a brighter tomorrow
for everyone."

A Brighter Morning

"With a kind heart,
small steps can change
big things, and every new day
is a chance to make
good happen."

Kindness Along the Way

"A brighter tomorrow
is built today, through
kindness, courage
and the way we treat
each other."

knowing that kindness
creates a brighter
tomorrow for all."
